

RESERVA

Bodega Norton was founded in 1895 at the Mendoza River Valley. The estate winery is located at the foothills of the Andes, at altitudes ranging between 850 to 1100 m. above sea level.

“Reserva” is made from carefully selected grapes from vineyards more than 30 years old. The wine is aged 12 months in French oak barrels and then additionally in bottles before release.

Our people’s passion, together with the harmonious coexistence of fruit and oak over time, have made this a great wine, characterized by its elegance and complexity.
