DENOMINATION OF ORIGIN

Maipo Valley, Isla de Maipo. Our vineyards are planted along the banks of the Maipo River, where the terroir manifests all of its expression in one of Chile's oldest and most classic wine regions.

VINTAGE

In this 2014 vintage, the spring was cold and rainy with frosts that reduced fruit set and lowered the natural yields. The hot, dry weather during the summer and fall resulted in a healthy, ripe, and concentrated production and enabled us to begin harvesting earlier than usual with exceptional grapes that will deliver concentrated wines full of flavor.

VINIFICATION

The grapes were crushed and fermented in stainless steel tanks for 7 days at 86°F (30°C) followed by another 6 days of post-fermentation maceration. Upon completion of the malolactic fermentation, the wine was barrel aged for 8-10 months to obtain and deliver greater complexity and structure.
