Montes Alpha Sustainable Dry Farmed 2013 Wines Score Highly in Wine Spectator

The May 31st 2016 issue of Wine Spectator, one of the world's most important and influential wine magazines, carries two excellent reviews of Montes Alpha wines.

Montes Alpha Cabernet Sauvignon 2013

"A fleshy red, with concentrated flavors of dark plum, red currant and dried raspberry. Notes of dried meat and mocha show on the finish, accented by chocolate and mint hints."

Kim Marcus, Wine Spectator Managing Editor, New York

Montes Alpha Carmenère 2013

"Rich and ripe, with notes of paprika and cardamom the toe dark plum, dried berry and roasted cherry flavors. The peppery finish is supported by firm tannins and features dark chocolate details."

Kim Marcus, Wine Spectator Managing Editor, New York
