• **ALTURA** •
CABERNET FRANC

1100 M / 3609 FT. ELEVATION

ALTURA was inspired by the connection between soil, elevation and microclimate in a special vineyard located in Valle de UCO at 1100 m - 3609 feet above sea level; where the altitude of the Andes mountains creates unique growing conditions.

This bold, complex and velvety smooth Cabernet Franc expresses the terroir's extreme and unique conditions.
