

BODEGA  
**NORTON**

*Colección*

Bodega Norton was founded in 1895 at the Mendoza River Valley. The estate winery is located at the foothills of the Andes, at altitudes ranging between 850 to 1100 m. above sea level. The climate at these altitudes is characterized by warm days and cool nights. This allows the grapes to mature slowly towards perfect ripeness, providing deep color, rich aromas and flavors.

This Malbec is a round, smooth and full-flavored wine. It has a purplish-red color and spicy aromas. Balanced with smooth tannins, rich plums and cherries can be found in its delicate flavors.

It is ideal to pair with grilled meat, chicken and pasta.
